SELECT Cabinet Hinges

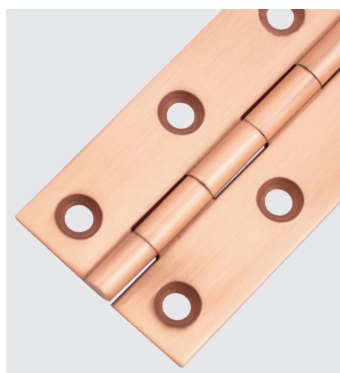

Our 'Select Hinges' are a premium quality cabinet hinge at competitive prices. We offer these solid drawn brass hinges in a range of superior finishes to cater to contemporary, traditional, and any bespoke design. Precision machining and superior hand finishing make the difference. 'SELECT Hinges' fit perfectly every time.

Available in the following finishes with or without matching coloured screws:

- Satin Chrome
- Polished Chrome
- Satin Brass
- Polished Brass
- Antique Brass
- Satin Copper
- Ebony

The 'SELECT Hinges' feature matching screws where indicated * and are designed to compliment a wide variety of handles and cabinetry.

Height: **63.5mm** Width: **35.5mm** Thickness: **2.2mm** Knuckle diameter: **5.5mm**

SELECT Magnetic Catches

Silent System

Our unique design will tolerate a gap, which allows silent closure when using a buffer between catch and counter plate, providing a quiet but positive close.

Smooth Lines

With its soft-line, one piece cover there are no unsightly internal parts showing which in other conventional catches typically rattle and detract from the luxury of the furniture

Finishes

Available in a choice of finishes. Polished Brass, Polished Chrome, Satin Chrome, Antique Brass, Satin Copper, Satin Brass, Black Nickel or Stainless Steel

SELECT Xv Magnets

5kg/2kg magnets simple to fix sleek magnets with 5kg pull or 2kg pull depending on which side you use against counterplate.

Call our Sales team today and discuss your application needs

- Fitting system comprising height-adjustable legs, fixing blocks, plinth clips and other accessories
- Load capacity per leg 450kg, maximum of 1350kg for 3 or more legs
- Height-adjustable leg is held securely in the fixing block when installing and repositioning the cabinet
- Large footprint of 80mm
- Simple height adjustment
- Black plastic
- Set includes: 4x Legs, 4x Fixing Blocks and 2x Plinth Clips

A collection of black plastic components for a 3D printer. In the foreground, there are four large, square-shaped nozzles with a central circular opening and a flange at the base. Behind them are several smaller, rectangular and curved parts, likely connectors or adapters, arranged in a row. The components are made of a dark, matte plastic material.

SELECT Wardrobe Rails & Brackets

A premium system with 10x30 steel rail, and aluminium supports finished to match. Linus is accurately made with an excellent load capacity.

The Linus Plus is an optional upgrade rail which is used with Linus brackets. The Linus Plus features a plastic protective profile insert that enables smooth sliding of clothes hangers.

Technical drawing and perspective view of the 30x10mm aluminum profile. The drawing shows a cross-section with a width of 10mm and a height of 30mm. The profile has a U-shaped cross-section with a flat top and a small lip on the inside of the top flange. The perspective view shows two pieces of the profile, one in a lighter color and one in a darker color, illustrating its 3D shape.

Linus hanging rail brackets suitable for use on the Linus and Linus Plus hanging rails.

A robust, durable system with 28 Ø steel rail and aluminium supports (right, left and centre). Finished to match.
